

CODE: **AWOH-US60 v1.0/1**

EN

NAME: **Pole mounting bracket 600mm wide  
for AWOH series enclosures**

Example use of AWOH-US60 bracket  
Pole clamp is not included

### Destination

The bracket is designed for mounting AWOH series metal enclosures on poles and masts. The bracket ensures the stability of the enclosure, and is adapted to the weight of the enclosure as well as the weather conditions (3mm sheet metal, electro-galvanized). It is dedicated to solutions for:

- security systems - mounting of surveillance cameras and alarm systems on poles
- telecommunications - mounting of telecommunication cabinets on poles and masts
- industrial automation - pole mounting of control cabinets and automation equipment

### Technical data
